

IMPORTANT NOTICE

Dear Parent or Guardian:

This important protection is available for just \$29.00 per year.

Children being children accidents do happen and parents are too often surprised to learn just how little cover, if any, their children have when they suffer injuries either in or outside school hours.

Unfortunately severe injuries can place parents and guardians under severe financial pressure.

StudentCover accident insurance was developed to give parents and guardians a helping hand when they need it the most, at a very affordable price.

The annual cost of a StudentCover policy is just \$29.00.

The cover provides protection for your children 24 hours a day, seven days a week, anywhere in the world* whether they are at school at the time of the accident or not, and includes almost every sport*.

Some of the features include (for more detail refer to the Schedule of Benefits on reverse):

- Compensation of \$500,000 for major injuries such as paraplegia and quadriplegia;
- Compensation for other major injuries such as loss of sight or loss of use of a limb and death;
- Compensation for common injuries included such as broken bones, fractures, dislocations or loss of teeth;
- Fee relief following the death of a parent or guardian; and
- Help with student tutoring expenses as a result of total disablement, to ensure a child's education suffers the least possible disruption.
